Braden Kelly died at the residence of his father, Mr. Clyde W. Kelly, near Merry Branch, Tuesday, of pneumonia, aged seventeen years. Funeral services were held in the Southern Methodist Church, Wednesday afternoon, and burial was made in Onancock cemetery. He was a young man of much promise, and general sorrow is felt for his parents. His only brother was drowned some years ago while attending a Sunday School picnic. One child, a daughter, is now left.

The survey of the trolley road, was completed Wednesday, and the distance from the steamboat wharf in Onancock to highwater mark at Battle Point found to be nine and two-tenths miles. The highest elevation, forty-three feet, was found on the land of Mr. S. K. Powell between Tasley and Accomac, and near the house of Judge S. T. Ross in Accomac. The plans and maps will now be perfected, after which surveys of the rights of way secured from individuals will follow.

Hon. John R. Rew, of Parksley, was in town on business Monday last.

A fire at Willis Wharf Sunday night destroyed the storehouse occupied by Mr. Robt. Harris—entire stock burned.

Mrs. Geo. F. Russell, reported ill in last week's issue, has been taken to the hospital in Portsmouth for treatment.

Commencement exercises at Belle Haven school will be at night, May 8th. A good entertainment is promised—also a drama, "After the Game."

Pungoteague.

Mrs. Samuel W. Nock, accompanied by Miss Mary, her daughter, is about to visit New York and other Northern cities on a tour of pleasure and recreation.

Mr. Willard Stevenson, Miss Vesta Stevenson and Vivian Stevenson, of Pocomoke City, are visiting Miss Lucille Boggs at the hospitable home of Captain Joseph C. Boggs, Nantux.

Owing to the terrible and almost impossible condition of the Nantux Wharf public road, Capt. Joseph C. Boggs has most magnanimously bought on his own responsibility one thousand bushels of oysters shells to be applied to repairing said road. The county should reimburse Capt. Boggs for his trouble and pecuniary advancement.

Very many farmers are fearing and discussing the fact, that our Produce Exchange Manager, Mr. Wm. A. Burton, may be induced to leave us, and do business elsewhere. We hope he will stand by our old ship, which he has built up with so much skill, and which has carried us most successfully through many storms and has landed us to the haven of prosperity, comfort and happiness.

Mr. John H. Walker, of Harborton, has revolutionized the cost and durability of carriage, cart, and wagon axles, in the invention by him of a patent box which is divided into sections, which when worn out may be removed and new boxes substituted for the old ones with little cost and trouble, the axle being so constructed that it never wears any whatever. Mr. Walker has just obtained a patent for it from the Patent Office, Washington. In a very short time he will advertise it, and offer it for sale.

A splendid game of base-ball was contested on the campus of the Pungoteague High School on Friday, 10th inst., between the Harborton and Pungoteague teams, resulting in a triumph for the latter team by a score of 16 to 5. The home team, while victorious on that occasion, is convinced that they met competitors worthy of their steel. Harborton team seemed sore, indeed, over their defeat and we sympathize exceedingly with them in their most unexpected defeat, for a more sanguine nine never measured lances or broke swords with rival adversaries.

Parksley.

Mr. and Mrs. R. A. Causey and daughter, Miss Sallie, are on a trip to Baltimore.

Miss Ola Day, of Salisbury, has been visiting her friend Miss Emma Parsons of late.

The concert given by the Parksley Athletic Association on Friday night of last week was a success financially and socially. The performance was excellent and greatly enjoyed by the large audience present.

A pile of heart lumber in the mill yard of the Parksley Manufacturing Co., situated about one-half mile from town, caught fire about eight o'clock Tuesday morning and was burned. It required hard work to keep the flames from other piles of lumber and barrel staves near, of which there was a large quantity. About 40 frames of the potato bed of T. Frank Russell adjoining were burned and the sprouts destroyed. Loss \$1,000 to \$1,200 and no insurance.

Mrs. Geo. H. Guy has a dwelling in course of erection here and the material is on the ground for one soon to be built by Mr. W. L. Hancock.

Mrs. William Jester was buried in Methodist church yard at this place on Wednesday, 10 a. m. Her husband, formerly of this county, is now a farmer near Pocomoke city, Md.

A colored man, occupying a farm of Mr. S. Wilkins Matthews, started a fire on Monday, which got into the woods and destroyed a pine thicket of Mr. Matthews worth \$500 or \$600. The present term of court has drawn heavily on upper end of county. Eighteen persons went by train from Leato station to serve as jurors and witnesses before the grand jury, &c.

A canning establishment is being put up by S. B. Slocum & Son, New Church, which will be of great advantage to the farmers of this section, as it will enable them to dispose of their small potatoes.

Temperanceville.

The public school was closed here on Thursday and Friday, the teachers being in attendance at the Institute on Chincoteague.

The Broadwater farm, containing 87 acres, sold here last Saturday at public auction, was bought by Messrs. James H. Hartman and E. F. Guille for the sum of \$5,535.00.

Six parties were here on Saturday looking for land and many others doubtless agree with them, and rightly so, that our village and lands adjacent to same are pleasant places for homes and promise good returns for the investment of their money.

The dramas entitled, "Miss Pearlless & Co." and "Our Awful Aunt," will be played by the young people of New Church, at that place on the nights of the 20th and 21st inst., respectively. Fine music will be rendered by the choir, assisted by the Pocomoke City orchestra. Both plays being exceptionally good ones, and to be rendered by our best talent, a fine entertainment is assured. Oysters, cream, &c. will be served. Come bring your sweethearts, wives, mothers and friends and enjoy an evening with us. Proceeds for the benefit of the new Baptist Church at that place. Admission 15, 25 and 35 cents.

Anti-Saloon League Convention.

The seventh annual convention of the Anti-Saloon League of Accomac, met in the M. P. Church, Parksley, April 9th, 10 a. m., with President S. F. Rogers in the chair. Religious exercises were conducted by Rev. R. P. Staples and prayer offered by Rev. S. O. Wright. The report on Law Enforcement was then read by J. L. Rayfield. He said the enforcement was constantly on the increase in our county and that conditions were improving throughout the county. Bro. Staples spoke on this report and urged the formation of a Good Order League in every community in our county, to see that the laws are enforced. Report on Agitation next called for and in the absence of Chairman Hosier, on motion, the report was deferred until the afternoon. Reports from districts on Temperance Sentiment were next heard. The following responded: Rev. H. W. Davis, Capt. W. J. Rew, Rev. S. O. Wright, Rev. G. M. Clayton, Mr. Maxon, Sup't. G. G. Joyner. Capt. Rew favored law enforcement league in his district. President Rogers gave an address on the Growth of Temperance Sentiment. He showed how greatly the sentiment has improved in our county for several years back. After singing of hymn the president announced the nominating committee and offered his resignation. Capt. Rew expressed the gratitude of the League to Bro. Rogers for his six years of efficient and faithful service.

The afternoon session opened with religious exercises conducted by Rev. S. Otto Wright, and after reading of treasurer's report, the Committee on Nominations made their report as follows for present year:

Officers—G. Walter Mapp, president; G. T. Wescott, treasurer; H. W. Davis, secretary.

Committees—Agitation and Organization, W. B. Pitts, L. J. Hyslop, Rev. Charles Friend, W. J. Rew, Rev. H. W. Davis; Law Enforcement, C. W. Peddeman, S. F. Rogers, A. H. G. Mears, Rev. J. D. Hosier, Rev. R. P. Staples; Legislative, J. L. Rayfield, A. L. Matthews, Thos. Mason, G. W. Maxon, Rev. Geo. M. Clayton.

Mr. Mapp spoke on Agitation Committee's work and urged a more intimate co-operation of committee, Sup't. Joyner gave a very telling address on the Relation of Temperance to Education in Accomac county. Second vice-president Rayfield then called for discussion of the position of Anti-Saloon League in Accomac. The question of report on Social conditions was discussed by Messrs. Rew, Maxon, Peddeman, Gibb, Wright, Mears and Rayfield. Rev. J. D. McAllister then addressed the audience on the progress and power of the movement. A collection was taken amounting to \$12.55 and of this \$10.80 was handed to Bro. McAllister to pay expenses and \$1.75 to secretary to pay printing bill &c.

After religious exercises in the evening conducted by Rev. G. M. Clayton, the audience listened to a very strong address by Rev. J. D. McAllister on the saloon and their owners and management and on the Byrd law. The following resolutions were then offered:

1. That we offer some tribute of respect to the name of the late Thomas C. Kellam, a former secretary of the Anti-Saloon League, and that Mr. Goodwin Joyner, of Onancock, be a committee to prepare same and that a copy be published in the county papers and placed on minutes of the League.
2. That we hereby tender our thanks to the pastor of this church, his people, and to the people of the town for their courtesy, kindness and hospitality to us during the sessions of our conventions and in their homes.

Resolutions of Respect.

Whereas, our Heavenly Father in His wisdom has seen fit to remove from us our beloved brother, Thomas C. Kellam, therefore be it resolved,

1. That while we bow with humble submission to the will of our Father, yet we mourn for our brother, who was so suddenly taken from us.
2. That we cherish the sweet memories of our association with him, who so many times we met in our Tribe.
3. That we tender to his heart-broken relatives, our sympathy and prayers in their sorrow, and commend them to Him who hath said: "My grace is sufficient for thee."
4. That a copy of these resolutions be sent to the bereaved family, a copy entered on the minutes of our Imp. O. R. M. and a copy be sent to the Anti-Saloon League for publication.

Letter to Dr. J. H. Ayres, Accomac, Va.

Dear Sir: The paint question boiled down is simply this:

The paint that takes least gallons, wears longest; Always.

Here's an instance:

E. O. Perry, East 5th St., Erie, Pa., painted two houses same size; one Devco, the other with another paint at same price; took 3 gallons Devco to 4 of the other; and in 3 years Devco was the better looking job.

Yours truly,
F. W. Devco & Co.
